Subject    You have changed how often we will pay your State Pension

Dear Alex Jones,

You have changed how often we will pay your State Pension.

We will pay you £203 every week starting from Friday 15 December 2023.

You may get payments before this so we we can start paying you every week.

To view your details and make changes online, go to:

<https://www.gov.uk/manage-state-pension>
